

# CLASS DOJO

What is it? Class Dojo is a website that allows teachers to give students immediate feedback on their behaviors, positive and negative. Students get very excited when they are awarded points and one of the best things I've noticed is that they root for each other!

## How can students earn points?

Task	Points	Task	Points
Birthday	4	Completion of Morning Work	1
Reached Reading Goal each quarter	3	On task/ Participation*	1
Completing extra homework or assignment	3	Receiving an A on a test of Ms. Pete's choice	1
Showing respect, grit, integrity, and kindness	3	Helper to Ms. Pete*	1
Compliment from a faculty member	3	Following Directions*	1
Tasks with an * are common in the classroom. Therefore, in order to receive a point, a child must be performing this task at a higher level than the other students!			

How can students lose points?- There are more ways to earn points than lose points. Therefore, losing points is considered a **BIG deal!**

Task	Points
Bad Report from a faculty member	4
Not representing grit, integrity, kindness, and respect	4
Incomplete Classwork or Homework	2
Not following directions/ off task	1

# CLASS DOJO

How can parents keep track of their child's DOJO points? A letter will be sent home at the beginning of school for parents to gain access to their child's DOJO account. If you happen to misplace this letter, contact Ms. Pete and she will gladly get you another one.

What can the points be used for?

Reward	Points	Reward	Points
Small Candy (Hershey's, Starburst)	2	Treasure Box	15
Regular Candy	5	Movie lunch with 3 friends	25
Skip a homework assignment coupon	10	VIP lunch with teacher and 3 friends	30
Free computer time lunch, reading lunch, or drawing lunch	15	One Item from the country store	30

If you have any questions about DOJO, our reward system, or would like to donate items as rewards, please contact Ms. Pete! ☺
